

The background image shows the interior of a grand, ornate theater. A large, multi-tiered chandelier hangs from the ceiling, casting a warm glow. The ceiling is decorated with colorful murals and intricate gold leaf patterns. The theater's architecture features classical columns and arches, with a red carpeted stage visible in the distance.

## Megan McKeithan

Based in Atlanta, GA, Megan McKeithan, founder of Visionary Mural Company, creates exceptional fine art murals, trompe l'oeil illusions, and complete environments in homes and businesses around the country. This brochure features some of her entertainment rooms. Please visit her website to see many other residential and commercial projects.

Megan grew up in North Carolina and graduated as a Durant Scholar Magna Cum Laude from Wellesley College with honors in both Studio Art and Art History. While at Wellesley, she also studied architectural design at MIT and mural painting at Savannah College of Art and Design. Her love of people, of collaboration, and of creating murals first blossomed while painting community mural projects at SCAD during her junior year. Since then she has worked with more than 4,000 people to create large-scale mural projects. She has also worked as a project manager in public murals and 2-D and 3-D museum exhibit design and fabrication, and taught painting and project management courses for teachers and students aged pre-school-101.

Drawing on her extensive experience over more than 22 years, she creates unique works of art, perfect for her clients and their architecture. She paints on location or on canvas for installation anywhere. Her work can be found in 61 cities around the United States, on Facebook at Visionary Mural Co. and at [www.VisionaryMuralCo.com](http://www.VisionaryMuralCo.com).
